HOW IT WORKS

STEP 1

HIDE YOUR EASTER EGG

Think of a hiding spot that means something to you both and then hide the egg on the map.

STEP 2

WRITE YOUR CLUE

Write a clue for your loved one to help them find their egg, how tricky you make it is up to you! Once you've written it, send it their way.

STEP 3

TIME FOR THEM TO FIND THEIR EGG

When they've received your special clue, they can start searching for their egg on the map. Wish them luck, the world's a pretty big place!
